Jayshree Industries is a trusted name in the export of premium-quality fresh fruits and vegetables, delivering nature's bounty to international markets with consistency and care.

With Decades of experience in exporting, we have built a strong global presence and a reputation for excellence.

Our produce is carefully sourced, packed, and quality-

checked to ensure maximum freshness and compliance with international standards.

We proudly export to Dubai, Saudi Arabia, Qatar, Russia, Spain, and many other countries across the globe.

Our deep-rooted expertise, reliable supply chain, and commitment to customer satisfaction have made us a preferred partner in the global fresh produce industry.

DRIVEN BY QUALITY DELIVERING VALUE GLOBALLY

At Jayshree Industries, we're redefining produce exports with a focus on quality, agility, and customer insight.

Backed by a strong foundation and forward-thinking execution, we're building sustainable value and global trust—one shipment at a time.

CHAIRMAN'S STATEMENT

Dear Partners and Friends

When I started Jayshree Industries, it was with a simple belief—that quality, trust, and hard work could build something lasting. Today, as I look back on our journey from a modest beginning to a respected name in global exports, I feel proud of how far we've come, and even more excited about what lies ahead.

The world of international trade is constantly shifting, yet our values remain steady. We have built our business on strong relationships, consistent quality, and a deep understanding of the markets we serve. Whether it's fresh produce, FMCG, or value-added products, our commitment has always been to deliver with integrity and precision.

India today stands at the crossroads of opportunity and transformation. As a nation, we are becoming a global hub for trade, innovation, and growth. At Jayshree Industries, we see it as our responsibility to contribute to this movement—not just by growing our exports, but by creating value, employment, and sustainable progress.

What sets us apart is not just what we do, but how we do it. Our team, our partners, and our customers are all part of a shared vision. A vision where Indian products earn global recognition, not only for quality but also for the spirit behind them.

I want to thank all of you—our clients, partners, suppliers, and our team—for being part of this journey. Your trust continues to inspire us every day. Together, we will keep building, growing, and creating impact—one shipment, one relationship, one step at a time.

“

Mr. Vijay Goel, Chairman of Jayshree Industries, is a visionary leader with deep roots in the export trade. Through his dedication and strategic leadership, he has built Jayshree into a trusted name in global exports, known for quality, reliability, and excellence.
